## ABOUT THE BOOK

A gentleman fluent with the pen comes through clearly in this collection of Sng Boh Khim's writings. But more than that, in these pages we find portraits of Boh Khim as a son, a brother, a husband, a father and a friend.

Lovingly put together two years after his death, this volume shows that transforming faith makes for a meaning-filled life, even when one apparently reaches the nadir of human despair. It is fittingly the first inspirational title from the stable of Ethos Books.

## ABOUT THE AUTHOR

Sng-Fun Poh Yoke lectures media studies at a polytechnic. Her earlier careers in journalism and corporate affairs stem from her abiding love for language and literature, both in English and Chinese.

Throughout the four years of her husband's fight against lymphoma, and the last two years of her widowhood, Poh Yoke has shown much fortitude and strength of character. She thanks God for His grace in undertaking for all that she has been able to bear throughout this very difficult period.
